Object: Motivation letter

Dear,

In response to your posted ad. I would like to inform you of my availability and interest in making a career with the circle team of Youth Opportunities in the development, marketing and community management sector because these activities fit with my life passion.

Indeed, I hold a bachelor's degree in management informatics option Information system design with a strong experience in the community management as well as the reputation of large startups, companies and online organizations. Being always motivated to make a career with you. I really have a commercial and administrative background and national and international relations, managing a website, Blog and other IT-friendly tools which can be important with Youth Opportunities circle.

My training to acquire all the techniques and know-how related to the management of the relationship with the customers and the design and maintenance of the systems. My various internships have enabled me to familiarize myself with hospitality and communication in the world.

I have a good command of computer software and various data collection and designing tools and respect for confidentiality is second nature to me.

By combining all the above elements, I think I have the necessary strengths to be useful to you in this position. I enclose for you my CV in annex which will edify you more on my background and skills.

Convinced that my rigor, my dynamism and my versatility are essential within Youth Opportunities Circle, I remain at your entire disposal to arrange a meeting which I hope will be very soon to expose you how I am able to attend that position.

In the meantime, please accept, Madam, Sir, the expression of my sincere greetings

KAWEDE Ezéchiel
